

Want your **Before-Baby** body back?

VASER[®]
LIPO

Your wait is over. Introducing VASER[®] Lipo, the latest in body sculpting that will help you get rid of that after-baby fat. Why is it different? VASER Lipo's ultrasound technology breaks up and removes unwanted fat, while leaving nerves, blood vessels, and other important tissue relatively intact. For a smooth body contour, VASER Lipo may be the answer for you. Choose VASER Lipo, not liposuction.
